Happy Thanksgiving to all! Praying for my Fairview family and friends to have a safe, peaceful and pleasant Thanksgiving!
Let us keep peace and give thanks in all seasons, each day of our lives, which will quench a complaining spirit. God is in ultimate control and will work all things together for good for those who love Him and are called according to His purpose!

Prayer Request:

~Pastor Lance Moncrieffe's father, Dr. Orlando, age 73
Since late September he has been taken to the hospital. He gets dizzy when standing, physically unstable, has double vision, and slurs his speech every third word. Your intercession for this retired pastor and academic of 51 years of ministry will be a blessing to my family - and very meaningful to me.

"I will praise the name of God with a song, and will magnify him with thanksgiving."
~ Psalms 69:30
